### Immerse Yourself in History

Discover Frederick's fascinating history through our rich, multimedia presentation. A written transcript of each tour stop narration is also provided.

### Take the Tour The Way You Want to — And When You Want to

You have the option of taking all the mini-tours in chronological order or limiting your tour to those Landmarks near you. This app includes an educational video on using the app that can be referenced before and during the tour.

### Our GPS Feature Makes Touring Easy

The application's GPS feature allows you to know where you are at all times — in relation to the tour stops and your location in the city.

### Tour Length

The Frederick Walking Tour is less than two hours in length and consists of 50 minutes of narrative and imagery, pertaining to 46 tour stops, during the course of a leisurely 2 mile walk. A total of 2 hours should be allotted to take the tour.

Frederick, Maryland, has played a role in virtually every chapter of our nation's history.
